

arizona institute
of urology

August 1, 2011

AIU is proud to announce the addition of Dr. Anthony Chavez to their staff. Dr. Chavez is a graduate of The University of Arizona College of Medicine and completed his residency at Texas A&M. Dr. Chavez's clinical interests include Laparoscopic and Robotic Surgery, male sexual health and renal masses in addition to general urology.

Dr. Chavez is an avid biker rider winning two Arizona State Hillclimb Championships in 2009 and 2010 on Mt. Graham. He also has interests in music, plays guitar, home improvement and likes to rebuild cars.

To make an appointment to see Dr. Chavez, please call (520) 296-7169
